

Join Mt. Angel Friends of the Library

Mt. Angel Public Library is fortunate to have an active Friends of the Library group! The Friends of the Library is a group of community members who support quality library service in the community through fund raising, volunteerism and serving as advocates for the library. The Mt. Angel Friends sponsor the cultural passes and hold fundraisers for library programming. We are looking for individuals or families that enjoy our library and want to play an active role in supporting our library!
